WWCC Adjunct Connection

Upcoming Fall In-Service for Adjuncts

As a part of teaching at WWCC, all adjunct faculty members are required to attend in-service during the academic year. For adjuncts, we schedule the in-service to make the attendance as convenient as possible, whether having the sessions at the main campus, outreach sites, or online. These are intended for professional development in the pursuit of your teaching needs.

The Fall adjunct in-service dates are listed below this article. Please review and make plans to attend a session either in person or online. These sessions are very important for WWCC as a college and you as a faculty member to meet the needs of our students.

The following topics will be covered in sessions:
• Welcome from President Leach
• Each One Reach One
• AQIP and Student Learning
• Smarthinking/Turnitin/Grademark
• Faculty Resources Website
• Hay Library Introduction

For New Faculty:
• FERPA
• Mustang Cruiser/Mustang WebAdvisors

For Veteran Faculty:
• Copyright Law
• Instructors as Advisors

Summer Semester Notes

★ June 30th: 2nd 4 week courses begin
★ July 25th: Summer session ends
★ July 28th: Grades due
★ August 27th: Fall Semester begins

OTHER NEWS....

WWCC is updating their webpage this summer. This means that the Faculty Resources website will also be updated with new and improved navigation and resources. As a part of the process, the Adjunct Advisory Board will be asked to give feedback to the appearance, resources, and other opinions to make the Faculty Resources webpage a site that will only further enhance your teaching experience at WWCC. If you have any suggestions, please feel free to contact Dr. Steve Adkins, Faculty Resources Facilitator, sadkins@wwcc.wy.edu, or 307-875-2278, ext. 303.
