MID-TERM Grades—WHAT ARE THEY FOR and HOW DO YOU DO THEM????

- Mid-term grades are a communication tool for you and your students.
- All Faculty, full-time and part-time, teaching full semester courses, are required to submit mid-term grades.
- Students should check their grades on Mustang WebAdvisor.

- The intent of mid-term grades is to reaffirm those students who are doing well and to inform those students who may be having difficulty.
- Those students receiving "D's" and "F's" will receive a "down slip" -- a grade report indicating their progress. We mail grades only once - immediately after the deadline. Assigned advisors receive copies of D/F grade reports.
- If for any reason you miss the deadline, please go ahead and submit grades but realize notices will not be sent to students, however they can be viewed on Mustang WebAdvisor.
- Faculty using Blackboard or Mustang Cruiser must submit their grades on Mustang WebAdvisor. The grading portions of these services are not connected.
- Students who have dropped or withdrawn (at the time rosters are printed) will not show on the roster.
- Students who are auditing will have an “AU” in the second column of the printed roster.
