

Cooperative Learning Idea

“Value Line”

1. Present an issue or topic to the group and ask each member to determine how they feel about the issue (could use a 1-10 scale; 1 being strong agreement, 10 being strong disagreement).
2. Form a rank-ordered line and number the participants from 1 up (from strong agreement to strong disagreement, for example).
3. Form your groups of four by pulling one person from each end of the value line and two people from the middle of the group (for example, if you had 20 people, one group might consist of persons 1, 10, 11, 20).
