Western Undergraduate Exchange
2005-2006

What is WUE?
WUE is the Western Undergraduate Exchange, a program coordinated by the Western Interstate Commission for Higher Education (WICHE). Through WUE, students in western states may enroll in many two-year and four-year public college programs at a reduced tuition level: 150 percent of the institution’s regular resident tuition. In all cases, WUE tuition is considerably less than nonresident tuition.

Which States Participate?
For academic year 2005-2006, the seventeenth year of WUE’s operation, resident students from the following states may participate if they meet eligibility requirements:

- Alaska
- Montana
- South Dakota
- Arizona
- Nevada
- Utah
- Colorado
- New Mexico
- Washington
- Hawaii
- North Dakota
- Wyoming
- Idaho
- Oregon

NOTE: Residents of Hawaii may enroll as WUE students in four-year programs only.

In addition, students from California are eligible for selected programs in Alaska, Hawaii, New Mexico, North Dakota, South Dakota, Washington, and Wyoming.

Programs Available
Virtually all undergraduate fields are available to WUE students at one or more of the participating colleges and universities. Some institutions have opened their entire curriculum on a space-available or first-come, first-served basis; others offer only designated programs.

WUE Bulletin
To learn of the wide array of programs available, consult the WUE Bulletin. For more detail, examine individual college and university catalogs. The WUE Bulletin is available from the WICHE WUE Contact Office in your state (listed on the back of this sheet), high school counselors, and admissions offices in participating institutions. The WUE Bulletin is online and can be printed from our website. Only a limited supply of hard copies are available. Please visit our website at www.wiche.edu/sep/wue.

Eligibility
Many institutions require evidence of academic performance, such as ACT/SAT test scores or high school GPA, or place other conditions on WUE enrollment. Consult your high school counselor or the WUE Bulletin for details.

Application and Admission
Apply for admission and WUE tuition status directly to the institution(s) of your choice. Mark prominently on the institution’s application form that you seek admission as a WUE student.

Further Information
Further information about specific programs in WUE may be obtained from the admissions office of the participating institution. Information about student eligibility and the operation of the program in any state may be obtained from the home state WUE Contact Offices listed on the back of this sheet.
