Summer Hours

Rock Springs Campus

Monday - Thursday, 7:00 a.m. - 10:00 p.m.

Closed Fridays

Mustang WebAdvisor:

www.wvcc.wy.edu → **Mustang Cruiser (Log in)** → **Mustang WebAdvisor**

Register on-line via the WVCC web page from home or by using a kiosk on campus.

Go on-line to the Mustang WebAdvisor menu or call 382-1637 for your login ID and password.

Full-time students should see their academic advisor prior to registering.

See page 6 for more instructions.

Telephone Registration:

(Available to any credit or non-credit, part-time student.)

Review the mail-in form in this publication.

Have all information requested on that form available when you place the call.

Call 382-1637 or 872-1301 and say you wish to register by telephone. See hours above.

Telephone registrations must be paid by Visa or MasterCard at the time of registration, after payment deadline.

Late Registration: Summer, June 4 - June 5

Contact Registration & Records (Rock Springs Campus), or the Green River Center Office, or use Mustang WebAdvisor.

Students may register for courses that begin at a later date through the add period of the course. Contact Registration & Records for more information 307-382-1637

Summer term courses begin June 4

Full-Time

12 or more credit hours

- Apply for admission and be accepted
- Take COMPASS Tests or provide documentation of minimum ACT or SAT scores
- Attend Registration Program
- Meet with your advisor
- Register
- Pay summer tuition and fees by May 24 or at the time of registration if after May 24

Part-Time

11 or fewer credit hours

- Come in, call, mail or use the computer to register
- Pay summer tuition and fees by May 24 or at the time of registration if after May 24
- Use online form or Mustang WebAdvisor

Waitlists

Students may be placed on a waitlist if a course is full. When a seat becomes available the student will be sent an **email** (using Mustang Cruiser or a personal email address) notifying them that a seat has become available. The student will have three days to add the course to their schedule through “Managing My Waitlist” in Mustang WebAdvisor or by calling Registration & Records. It is ultimately the responsibility of the student concerning their position on any given waitlist.

Being on a waitlist does not complete the registration process. Students are not automatically enrolled when a space opens. If you have decided against the wait listed course, please have your name deleted from the waitlist by using “Managing My Waitlist” in Mustang WebAdvisor or by calling Registration & Records at 382-1641.

Dropping Classes

Students must officially drop classes to avoid failing grades. See the full semester drop deadline on the academic calendar. Shorter duration courses have different drop dates. Students should be familiar with these dates. Refunds go into effect when the process is completed. Contact Registration & Records or the Green River Center for more information.

High School Seniors

WWCC pays for 6 credit hours per semester for high school juniors and seniors in Sweetwater County to enroll in 6 total credits. Forms are obtained from high school counselors. Bring completed form with signatures to Registration & Records. High School students may take one summer course.

Residency Classification

The following residency policy was developed under the auspices of the Wyoming Community College Commission and applies to all community colleges in Wyoming:

A student previously classified as a nonresident may be reclassified any time prior to the end of the published refund period of any term in which he/she qualifies.

A student who is classified as a resident by one community college will be considered a resident at all colleges.

Classification Procedures:

1. Residence classification shall be initiated for each student at the time the application for admission is accepted and whenever a student has not been in attendance for more than one semester. All students must respond to the residency question on the application for admission. Students wishing to request a review of the residency decision must submit documentation along with the “Initial Residency” decision or the “Change of Residency” form to the Registrar in Registration & Records.
2. Only individuals or their legal dependents who are U.S. citizens or are in an immigrant status and certain nonimmigrants may qualify for residency.
3. Nonimmigrants and their dependents, who possess a valid visa from the U.S. Citizenship and Immigration Services with a classification of Temporary Workers or Intracompany Transferee and eligible for education, may qualify for residency. Eligibility for consideration will be based on the privileges and limitations of the visa held by the applicant.

4. Students will be required to submit appropriate documentation to support the residency claim.

The following may be used by a student and would result in an individual being classified as a Wyoming resident for tuition purposes:

1. A graduate of a Wyoming high school or recipient of a GED in Wyoming who enrolls in a community college within twelve months of either high school graduation or GED completion;
2. An individual who can provide written verification that he/she has lived in Wyoming continuously for one year prior to enrolling;
3. A legal dependent under the age of 24, or a spouse of a resident of the State of Wyoming who qualified as a resident based upon this policy;
4. A legal dependent under the age of 24 of a Wyoming community college graduate;
5. A student who marries a Wyoming resident shall be granted resident classification at the beginning of the next term following the marriage;
6. Active Wyoming National Guard members and U.S. Armed Forces members stationed in Wyoming, and their dependants.
7. Members of the United States Armed Forces who move to Wyoming within 12 months from the date of honorable discharge from the service.
8. An individual who can provide written verification from an employer that he/she will be employed in Wyoming for an anticipated period of not less than seven months, and such employment is the principal means of support. This letter must be on company stationery, signed by the owner, manager or personnel department and must indicate the date the employee started, his/her status (full or part-time) and the expectation that the person

will be employed at least seven months.

9. Persons temporarily absent from the state due to military services, attendance at educational institutions, or other types of documented temporary absences will not have their resident status void by such absence;
10. People who do not reside in Wyoming but who meet the following criteria will be considered resident students:
 - a. Has been employed in Wyoming for at least seven months, and such employment is the principal means of support;
 - b. Pays Wyoming taxes as required by law;
 - c. Resides in a state with a similar law; and
 - d. Is willing to submit an affidavit to the above.

Any questions or concerns about the residency policy should be addressed to the Registrar in Registration & Records.

Appeals and exceptions to the above policy should be addressed to the Vice President of Student Success Services. Students wishing to appeal that office’s decision, may go through the Student Success Services Appeal process.

Western Undergraduate Exchange Program (WUE)

WWCC participates in the WUE program along with 15 other Western states (Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington and Nebraska). On a space-available basis, students from these states may enroll at WWCC in any program for 1-1/2 times the in-state tuition rate. Eligible students should address questions to Registration & Records.

NOTE: Block courses are on a reduced schedule for drop/add dates and refunds. Contact Registration & Records or the Green River Center for exact dates.

Return of Title IV Funds

Students withdrawing their attendance from Western Wyoming Community College that received some form of federal financial assistance (Pell Grant, Student Loan, SEOG, ACG, or LEAP grant), may be subject to repaying all or a portion of the funds received.

WWCC will calculate the amount of aid that students earned based upon the number of days attended in the semester. Any portion not earned must be repaid. Should students choose not to make satisfactory repayment arrangements:

- they will be ineligible to receive funding in the future at WWCC
- their transcripts may be withheld
- they may be turned over to collections for the unpaid balance in addition to any additional charges incurred by the collection agency

Contact the Financial Aid office at 382-1643 with questions regarding this policy.

Internet Courses:

Internet Courses require a minimum of: Internet access, email, and WORD 2003 or higher. You must use the email address provided for you by the college to communicate with your instructor. Your instructor will send any email communication to you via this email address. Courses are **not** self-paced. To succeed, therefore, you will need strong time-management skills plus reasonable computer skills. Self-motivated students do best.

Before the First Day of Class:

1. Check the technical and special requirements for your class at http://www.wvcc.wy.edu/dist_ed/academics.htm.
2. After you register watch for a letter in the mail providing you with your username/password and email information. IF you do not receive this letter before the first day of classes, call the help desk at 382-1676, or for out-of-area students (800)220-1480, to receive this information.
3. Order your books online at www.wvccbookstore.com or contact the WVCC Bookstore by phone at (307) 382-1673.
4. Login and check your class email. Go to www.wvcc.wy.edu, select Mustang Cruiser. Click login in the upper left corner of the screen. Type in your username and password and enter.

You must login to your class and begin participating in the first couple days of classes.

On the First Day of Class:

1. Go to www.wvcc.wy.edu.
2. Login to Mustang Cruiser
3. Click on the Blackboard tab at the top of the screen
4. Click on your class link on the right side of your screen
