*The Disability Support Services program is dedicated to promoting full participation of individuals with disabilities in post-secondary education classes.*

*“No otherwise qualified handicapped individual in the United States... shall, solely by reason of ...handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.”*

SECTION 504 OF THE

REHABILITATION ACT OF 1973

Students with documented disabilities may qualify for reasonable accommodations. To obtain services, students who believe they qualify should contact the Disability Support Services program in the Student Development Center, Room 2011. Documentation of the disability will be required as well as a release of information to inform instructors of accommodations. The Student Development Center may assist in referring students for additional services both on campus and in the community as needed.

Students who have questions, need information, or encounter any problems about their disability should contact the Student Development Center at (307) 382-1806.

The Disability Support Services program is administered under strict guidelines of confidentiality. Information will not be shared without the written consent of the student.

### **Consultation on Individual Accommodations**

Students with documentation of a disability are entitled to reasonable individual classroom and testing accommodations as well as auxiliary aids to help with their success at WWCC.

### **Consultation of Services for Prospective Students**

Disability Support Services staff is available to speak with prospective students concerning the programs and accommodations available to them.

### **Learning Strategies**

Specific learning strategies are available to meet individual learning preferences and challenges of students with documented disabilities.

### **Disabled Students' Support Group**

The purpose of the group is to support the success of all students with disabilities and increase awareness on campus of disabled students' needs. It is formed and maintained as a student-driven support group at the request of students.
