Advanced Cardiac Life Support (ACLS) Provider*  

This course is an intensive program that meets the standards of the American Heart Association (AHA) for training participants as Providers in Advanced Cardiac Life Support (ACLS). It is primarily directed toward physicians, nurses, dentists, paramedical and allied health personnel whose daily occupation demands proficiency in the knowledge and skills of ACLS. For your success, we strongly encourage to take the pre-test prior to attending class (85% or lower then attend Friday night). Reasonable remediation with the instructor and the participant can take the test one more time. Private or further remediation is $50 per hour. A valid CPR card is required. For your success, we strongly encourage attending the Prepare for ACLS class.

Larry Macy, NREMT-P has been in the medical field for over 17 years. In 2008 he took a position as a Safety Specialist for a construction company in the oil and gas Industry. He has presented at conferences in several states and is certified to train in a wide variety of courses.

If notification of inability to attend is received 7 business days prior, a refund will be made less an administration fee retained by WWCC Workforce Development. No refunds will be issued after said date.

Saturday & Sunday, September 20 & 21, 2014  
8 am—5 pm   
WWCC-Rock Springs Campus 1328  
Larry Macy  
$225**  
HLTK 1501 T1  
0.5 Credit
