Senior Day 2005

8:30 - 9:00 a.m. • Registration
9:00 a.m. • WWCC: A Great Choice!
10:00 a.m. • Session I

Choose one of the following:
1 • Parenting Your College Freshman
   (special parent session)
   Are you sending your first child off to college? Your last? Join us for a parent workshop with WWCC staff. Parents will have an opportunity to ask questions, share experiences and get tips for helping their student succeed with the college transition.

2 • Financial Aid & Admissions
   Are you confused about how to apply for financial aid and scholarships at WWCC? Are you concerned about what needs to be done before you can register for fall classes? Stacey Hanson, Director of Financial Aid, and Eric Tradep, Admissions Counselor, will give you the tips you need to complete the process before WWCC’s April 1st priority date.

3 • Living on Campus
   If you’re thinking about living on campus, this is your chance to tour WWCC’s residence halls and apartments. Beth Whitman, WWCC’s housing assistant, and student Resident Assistants will showcase our living-learning center with a tour and a discussion of life on campus.
4 • Education Class Visit
Want to be a teacher? Join Assistant Professor Bette Hartnett for Education Experience: Prospective Teachers. WWCC offers teacher preparation classes for early childhood, elementary, secondary, and special education.

5 • Anatomy & Physiology Class Visit
Interested in medicine or health sciences? Join Associate Professor Dee Forrest for this class visit. Register early, as participation is limited!

6 • Psychology Class Visit
Interested in psychology or social work? Join Professor Jan Torres as her class discusses the human mind.

7 • Music Class Visit
Dr. Martha Holloway welcomes visitors interested in music. Create your own composition using music notation software.

8 • Engineering Class Visit
Thinking about majoring in engineering? WWCC is the place to start. Attend Professor Craig Thompson’s Dynamics class to learn more about the design of things that move!

9 • Chemistry Class Visit
Interested in science? Join Instructor Jocelyn Goodwin for a college chemistry class on acid and base equilibrium.

11:00 a.m. • Session II
Choose one of the following:

1 • Financial Aid & Admissions (special parent session)
Are you confused about helping your student apply for financial aid and scholarships at WWCC? Are you concerned about what needs to be done before your student can register for fall classes? Stacey Hanson, Director of Financial Aid, and Laurie Watkins, Director of Admissions, will answer questions and give tips on completing the process before WWCC’s April 1st priority date.

2 • Living on Campus
If you’re thinking about living on campus, this is your chance to tour WWCC’s residence halls and apartments. Beth Whitman, WWCC’s housing assistant, and student Resident Assistants will showcase our living-learning center with a tour and a discussion of life on campus.

3 • Backstage Theatre Tour
Are you planning to major in Theatre, Technical Theatre or Dance at WWCC? This backstage tour is for you, as we cast the spotlight on WWCC’s state-of-the-art theatre and dance studio. Dance auditions begin at 2 p.m. and Theatre auditions begin at 3 p.m.

4 • Fine Arts Tour
Are you planning to be an art major? Dr. Florence McEwin will meet with art students for a tour of the drawing and painting studio, printmaking room, ceramics studio, sculpture studio, and photography area. Don’t forget the Art Skills and Art (3-D) Competitions at 1:00 p.m. and the Photography/Digital Imagery portfolio review at 2:30 p.m.

5 • Technology & Industry Tour
If you are planning on taking classes for Automotive, Diesel, Electronics, Heavy Equipment Mechanics, Instrumentation, Industrial Maintenance, Mine Maintenance, Plant Operations, or Welding, then this tour is for you! Department scholarship competitions will be held during Technology & Industry Day on Friday, April 15.

6 • Having Fun & Staying Fit at WWCC
Want to know about recreation opportunities at WWCC? Amy Prevedel, coordinator of WWCC’s intramural program and athletic games manager, and interns from the exercise science program will give an overview of WWCC’s PE, exercise science, outdoor leadership, and intramural offerings. The tour will include visits to the Aquatic Center, Rushmore and Auxiliary gyms, weight room, and Wellness Center.

7 • Communications Class Visit
Interested in communications? Join Associate Professor Chris Kennedy for a lecture exploring fallacies in argument.

8 • Wellness Class Visit
Join Assistant Professor of Health Education Tanya Fitchsen for a class on healthy living - mental, emotional and physical health.

9 • WWCC’s Nursing Program
Interested in nursing? Pamela Payne, Assistant Professor of Nursing, will help you learn more about the problem-based learning program at WWCC.

10 • Psychology Class Visit
Join Dr. Sandra Mitchell for a class that combines psychology and biology to explore the biological basis of behaviors.

11:00 a.m. • Session II
Choose one of the following:

1 • Financial Aid & Admissions (special parent session)
Are you confused about helping your student apply for financial aid and scholarships at WWCC? Are you concerned about what needs to be done before your student can register for fall classes?
