## Closing Comments .............................................................................. 20
Thank you for taking time to read this Western Wyoming Community College Security Information Brochure. This document details the policies and procedures that Western Wyoming Community College uses to deter and respond to crimes on campus. In it, you will find listings of the measures that Western Wyoming Community College has taken to help you to maintain your personal safety. You will also find suggestions on how you can increase your own safety, as well as the information required by the Crime Awareness and Campus Security Act of 1990, the Campus Crime Disclosure Act of 1998, and the Campus Sex Crimes Prevention Act of 2000.

Like other small, rural community colleges, Western Wyoming Community College has historically been less susceptible to many of the violent crimes more prevalent at colleges located in other areas of our country. However, neither Western Wyoming Community College nor any other institution of higher education can completely isolate itself from the ills of society. No institution can guarantee that all members of its community will be free from personal attack or loss of their property. This level of absolute protection is unavailable anywhere. What should be expected is that an institution will take reasonable steps to provide a level of security that is not so restrictive as to be unacceptable, yet will promote an environment in which personal security is taken very seriously by all members of the college community.

Therefore, the College encourages you to read and understand this document. Your use of the facilities, programs, and services mentioned herein, along with taking steps to increase your safety, will help you have a positive educational experience at Western Wyoming Community College.

In our efforts to continually enhance our safety program, we welcome your input regarding WWCC’s safety and security programs and services.
Safety Tips

Personal Safety
- Most assaults are one-on-one. Decrease your chances of assault by walking with someone else. If a friend is not available, contact the Information Desk to arrange for a Campus Escort to walk you to your Residence Hall or car.
- At night, stick to well-lighted, populated areas. Avoid walking alone.
- Tell others where you are going and when you expect to return.
- Report anyone who is acting suspiciously to the Information Desk emergency extension 1234 or Protective Services, 382-1690.
- Always lock your door when in your room or apartment. Don’t leave the door to your room or doors to a building unlocked or propped open for friends to visit later. Make arrangements to meet them to let them into the building.
- Don’t let strangers into the building or into your room.
- Do not put your address on your key ring.
- Keep emergency numbers by your phone.

Personal Property
- Keep your room locked at all times, even if you will be out for “just a minute.”
- Lock your bicycles with a U-type lock to a secure bicycle rack. If possible, use extra reinforcements on your U-type lock.
- Always lock your car. Do not leave tempting valuables or property visible inside your car. Lock these items in the trunk.
- Don’t leave books or other valuables, such as purses or backpacks, unattended for even short periods of time.
- When walking, hold your purse or backpack close to your body. Avoid carrying large amounts of money with you.
- Never let anyone else borrow your keys or your access card.
- Never give your room combination number to anyone else.

Sexual Offenses
- Most rapes occur between people who are acquaintances or friends. Awareness of the possibility that it may happen to you is the first step in prevention.
- Avoid drugs and alcohol. They impair your judgment and make you vulnerable to sexual assault.

a violation of the college policy has occurred, no college disciplinary action will be taken. Under circumstances where the policy has been violated, the college may require referral to an alcohol and/or drug rehabilitation program. Finally, under circumstances where an individual is perceived to be a danger to himself/herself or others as a result of alcohol and/or drug use, the college reserves the right to involuntarily refer the individual to the appropriate treatment facility or agency.

Changes to be Made in the Program
The Student Development Center and the Student Housing Office are working with outside authorities to provide additional educational programs and outside enforcement, particularly in student housing.

Description of Sexual Assault Educational Programs
Western Wyoming Community College sponsors a number of educational programs to promote the awareness of rape, acquaintance rape and other sex offenses including:

- Acquaintance-rape presentations, given by Resident Assistants during housing orientation;
- Printed information, that is available in each residence hall, covers topics such as date rape, stranger rape, sexual assault and other sexual crimes;
- Crime prevention tips are displayed on campus-wide, closed-circuit television, covering such topics as date rape, stranger rape and other sex offenses;
- Residence Assistants are trained as referral people and are knowledgeable about College and community services available to victims of sexual assault.

Possible sanctions for rape, acquaintance rape or other sex offenses (forcible or nonforcible), following an on-campus disciplinary procedure are described in Policy 4420C and 5420E, “Forcible and Non-Forcible Sexual Assault” and include, but are not limited to “probation, suspension, restriction or dismissal from student housing and/or the college”. Please refer to the Western Wyoming Community College Policy and Procedures manual for the complete policy.

Procedures to be followed in the event of a sexual offense are clearly outlined in college Policy 4420C and 5420E, “Forcible and Non-Forcible Sexual Assault”. Please refer to the Western Wyoming Community College Policy and Procedures manual for the complete policy.
OPTION TWO: Participants must complete at least 10 hours of volunteer activities approved by the Student Development Center. The following is a list of approved activities; however, the student and the Student Development Center counselor can negotiate other activities:

1. Volunteer hours performing approved community service.
2. Volunteer hours in the Peer Tutor Center.
3. Assist with workshops and/or activities sponsored by the Student Development Center which promote National Collegiate Alcohol Awareness Week and National Drunk and Drugged Driving Prevention Month.
4. Assist the director of housing with projects in the Residence Halls.
5. Give blood during a campus-sponsored blood drive.

OPTION THREE: Participants must complete a minimum of 10 hours as follows: 4 one-hour sessions conducted by the Student Development Center counselor which cover wellness-related issues; 5 hours of volunteer activities approved by the Student Development Center; a one-hour, one-on-one meeting with the Student Development Center counselor after completion of the other 9 hours.

OPTION FOUR: Participants must complete a minimum of 10 hours as follows: Two mandatory one-to-one sessions (1/2 hour each) with the Student Development Center counselor; completion of a 6-8 page typed paper on the topic of alcohol/drug use and/or abuse; a 30 minute presentation of the paper in the residence halls with a minimum of 5 people and the Student Development Center counselor or approved designee in attendance.

Student Success Seminar
The Student Success Seminar is a two-credit study skills/college adjustment course offered through the Developmental Studies Program and coordinated by the Student Development Center. One component of this course is on health issues faced by college students. Alcohol and drug behaviors are incorporated into this component. Games, videos, and lecture/discussion materials are available for use in the classroom or for use by individual students in the Student Development Center’s resource room.

Referral
Should a student, faculty, or staff member exhibit maladjusted behaviors involving the use of alcohol and/or drugs that warrant more intensive therapy beyond the Student Development Center program, a referral is made to one of the local counseling agencies or to the local chapter of Alcoholics Anonymous. Local agencies include Southwest Counseling, Counseling Associates, Family Dynamics Counseling, or New Perspectives. Should an individual voluntarily seek assistance/referral for an alcohol and/or drug problem prior to the time that

Driving
- Park in well-lighted areas whenever possible.
- NEVER pick up a hitchhiker!
- Do not drink and drive.
- Lock car doors at all times, even while driving.

Reporting Emergencies and Criminal Actions
It is the desire of the College to deal with the reporting of criminal actions or other emergencies that may occur on campus in an organized fashion. All emergencies or criminal actions that occur on campus should be immediately reported to the Information Desk located at the main campus entrance, emergency extension 1234 or 9-911 to reach the RSPD.

Definitions
Campus: Campus is defined as any building or property owned or controlled by WWCC or by a student organization recognized by WWCC within the same reasonably contiguous geographic area of WWCC. Campus also encompasses all public property within such an area that provides immediate access to the facilities of WWCC and any building or property owned, controlled, or used by WWCC for educational purposes, and used by students, even if it is not within the contiguous area. Campus is also defined as all dormitories or other student residential facilities owned or controlled by WWCC.

Emergency: An emergency is defined as any unforeseen combination of circumstances that calls for immediate action. These circumstances can include, but are not limited to, medical emergencies, natural disasters, fire, accidents, etc.

Criminal Action: A criminal action includes any act that is in violation of any city ordinance, county code, state statute or federal law.
Disposision
Upon receiving a report of an emergency or criminal action, the Switchboard Operator/Receptionist or Protective Services Officer shall then contact the appropriate College employee(s) or outside agency(s) to handle the reported situation.

Recording of Incident
The incident shall be recorded by the Protective Services Officer in a Crime Log, which is available to the public within two (2) business days. This log shall contain the following information:
- Description of the incident
- Date and time the incident was reported
- Any assistance provided by outside agencies
- General location of the incident
- Disposition of the incident

Access to Campus Facilities
The College wishes to provide a safe and secure environment for its students, employees and visitors. The following is a listing of times when the campus is accessible, both during and after normal business hours.

Main Building - Rock Springs Campus
Normal Business Hours
The main campus is generally open to students, employees and visitors from 6 a.m. to 11 p.m. on Monday through Friday, 8 a.m. to 5 p.m. on Saturday, and 8 a.m. to 10 p.m. on Sunday. This schedule may vary, depending on the campus events scheduled for that particular day.

After Normal Business Hours (Scheduled Events)
After normal business hours, individuals seeking access to the campus must for reasons other than a scheduled event, obtain Instructor permission and enter the facility through the main campus “circle drive” entrance, except as provided below.

- Employees who possess facility access cards may enter the campus through any entrance with an access card reader.

On Saturday and Sunday evenings when no evening activities are scheduled, the campus access is restricted to the main campus entrance after 6 p.m., except for employees who possess facility access cards.

Access is restricted to the main campus entrance on holidays, unless campus events are scheduled, except for employees who possess facility access cards.

National Drunk and Drugged Driving Prevention Month
Sponsored by the National Highway Traffic Safety Administration of the Department of Transportation, the month of December is nationally recognized as National Drunk and Drugged Driving Prevention Month. In support of this month, the Student Development Center sponsors a Pledge Christmas Tree on campus. Faculty, students, and staff are encouraged to sign an ornament pledging that they will not drink and drive during the holiday season. The ornaments are then hung on the tree that is displayed throughout the holiday season, reminding the campus community not to drink and drive. Annually about 300 faculty, students and staff participate in this project.

In addition, WWCC students meet with the president of WWCC and the mayors of both Rock Springs and Green River and ask them to sign a proclamation which proclaims December as National Drunk and Drugged Driving Prevention Month in their respective communities.

Personal Awareness Seminar
Originally called the Wellness Seminar, the Personal Awareness Seminar is required of all students who violate the alcohol policy in the Residence Halls. It is also open to any interested student, faculty, or staff.

The emphasis of this program is on wellness and healthy lifestyles, not alcohol rehabilitation. It is designed to enhance the student’s overall development. The philosophy behind the program is that positive personal growth will result in more responsible alcohol related behaviors.

The Personal Awareness Seminar provides four options for completing the program. A Student Development Center counselor chooses which option to offer to the student. For students on alcohol probation, a mandatory initial meeting with a Student Development Center counselor is required to review the components of the option chosen by the counselor.

OPTION ONE: Participants complete a 10-session personal awareness seminar conducted by the Student Development Center counselor. Sessions entail wellness-related issues such as personal responsibility, communicating, leisure, work, sexuality, stress management, and critical thinking.
Residence Halls - Rock Springs Campus

All Residence Halls are accessible without use of an access card from 7 a.m. to 11 p.m. daily. Between 11:00 p.m. and 7:00 a.m., residents may use their access card to gain entrance to any Residence Hall. Non-residents will not be allowed into the Residence Halls after 11 p.m., unless accompanied by a resident, or prior arrangements have been made with Protective Services or the Resident Assistant.

Green River Center

Normal Business Hours

The Green River Center is generally open to students, employees and visitors from 7 a.m. to 10 p.m., Monday through Friday. This schedule may vary depending on the events scheduled for that particular day. In the event that no evening activities are scheduled, the Center will be closed at 5 p.m. The Green River Center will be closed weekends and holidays unless Center events are scheduled.

After Normal Business Hours

Outside of the normal business hours noted above, the Center will be closed.

Security Considerations

Main Campus

The College wishes to provide a safe and secure environment for its students, employees and visitors. The following security measures are employed in an effort to create this desired environment.

- Lighting: All Western Wyoming Community College campus facilities are furnished with security lighting, particularly in areas adjacent to parking lots and outdoor passageways.
- Staff: The College maintains a staff of 4 full-time Protective Services personnel. Each Protective Services staff member is equipped with a 2-way radio which gives them direct and emergency access to the Rock Springs Police Department, other local emergency services departments and appropriate College departments. All weekends, holidays or when the campus is closed, Protective Services personnel are on duty 24 hours a day. Protective Services attempts to provide 24 hour security, however staffing may limit this coverage from 8AM to 4PM on weekdays. Additional part-time Protective Services personnel are added as campus events necessitate.

National Collegiate Alcohol Awareness Week

Colleges and universities across the country participate in National Collegiate Alcohol Awareness Week (NCAAW) every year during the third week in October. Sponsored by the Inter-Association Task Force on Alcohol and Other Substance Abuse, this week is comprised of activities designed around the theme of alcohol and drug awareness. Individual colleges and universities develop and promote their own activities. At WWCC the activities are designed to be educational but also fun and entertaining when appropriate.

Listed below are the activities around which NCAAW on this campus is organized annually. Not every activity is used every year.

1. Mocktail Mix-off — Students compete for cash prizes for the best non-alcoholic drink recipe.
2. Tie-One-On Tie-Dye Contest — Students, faculty, and staff compete for prizes as they attempt to create the best tie-dye art.
3. Movie Night — A motion picture with a theme surrounding alcohol and/or drugs is shown. Refreshments are served.
4. DUI Presentation — A local law enforcement agent presents a program on driving while under the influence and the legal system’s response to this behavior.
5. Alcohol Simulator — The local highway patrol displays a computer simulator on campus that allows students, faculty and staff to simulate a drinking and driving experience.
6. The Covenant Players — A troupe of actors roam around campus and present short skits portraying the effects of alcohol and drugs on lifestyles.
7. Classroom Lectures — Faculty volunteer to focus at least one class during the week on an alcohol-related issue.
8. Displays — Local agencies are invited to set up displays advertising their alcohol and drug programs.
9. Twister Tournament — Students, faculty and staff compete on twister game mats for prizes.
10. “Shoot for Sobriety” 3-Point Basketball Shooting Contest – Students, faculty and staff compete for prizes.

gram incorporates a component that addresses this regulation and serves as part of the disciplinary and education procedure for students who violate this policy (see Personal Awareness Seminar below). All aspects of the alcohol and drug program are designed to protect the privacy and confidentiality of the participants.

The drug and alcohol prevention program consists of seven components:

1. National Collegiate Alcohol Awareness Week
2. National Drunk and Drugged Driving Prevention Month
3. Personal Awareness Seminars
4. Student Success Seminars
5. Referrals
6. Workshops – On Drug and Alcohol Issues
7. Resource Library

The College wishes to provide a safe and secure environment for its students, employees and visitors. The following security measures are employed in an effort to create this desired environment.
• **Information Desk:** The College maintains an Information Desk, which is staffed from 6 a.m. to 11 p.m. seven days a week. During campus closedown times, the Protective Services Officer on duty typically screens individuals seeking entrance to the campus either through the main entrance or via access cards.

• **Access Card System:** The College maintains a campus access card system. All full-time college employees are offered the use of these cards, which must be used for access during closedown times. The Physical Resources department is to be notified if any cards are lost or stolen, and these cards are removed from the access system.

---

**Residence Halls**

The College wishes to provide a safe and secure environment for its students who reside in campus housing facilities.

The following security measures are employed in an effort to create this desired environment:

• **Lighting:** All Western Wyoming Community College campus housing facilities are furnished with security lighting, particularly in areas adjacent to parking lots and outdoor passageways.

• **Staff:** The college maintains a staff of 11 Resident Assistants. These Resident Assistants live in Residence Halls and are specially trained to handle a variety of emergencies. Protective Services Officers coordinate with the Resident Assistants to provide a safe and secure environment for the housing area. All weekends, holidays or when the campus is closed, Protective Services personnel are on duty 24 hours a day. Protective Services attempts to provide 24 hour security, however, staffing may limit this coverage from 8AM to 4PM on weekdays. Protective Services personnel conduct random patrols in the housing areas each shift, plus an additional Protective Services staff member is stationed in the housing area conducting random patrols from late evening to early morning.

• **Residence Hall Security:** The College maintains a campus access card system for the Residence Halls. All student-housing residents receive these cards, which are to be used for after-hours access. Students are asked to notify the Housing Office if a card is lost or stolen so that the lost or stolen card can be removed from the access system. The hallway door to each individual suite has a key-lock deadbolt system. The hallway door to each individual apartment has a combination locking system. All residents are required to attend security briefings at the beginning of every semester, as part of housing orientation. Attendance is taken, and warnings are issued to students who do not attend this orientation, and an individual session is scheduled with the Director of Housing.

---

**Use of Illegal Drugs Policy**

Western Wyoming Community College Policy 5420 C, revised May 26, 1988 states:

“...students from using, possessing, or selling illegal drugs on property it owns or leases. Students violating this policy are subject to disciplinary action and/or criminal prosecution.

To prevent the misuse of drugs, the College will cooperate with local and area agencies to educate the College community on the dangers of using illegal and harmful drugs."

In addition to these college policies, the College also has issued administrative regulations regarding the prevention of illicit drug or alcohol use and abuse by students and employees, as required by the Federal Drug-free Schools and Communities Act, amended in 1989.

As it applies to students, this regulation states, in part, “The College prohibits the possession, use or distribution of alcoholic beverages and/or illicit drugs on its property or as a part of any student activity sponsored or supervised by the College.

Violations will result in the imposition of penalties up to and including expulsion from the college and referral for prosecution under applicable local, State and Federal laws.”

As it applies to employees, this regulation states, in part, “The College prohibits the possession, use or distribution of alcoholic beverages and/or illicit drugs on its property or as a part of any student activity sponsored or supervised by the College. Violations will result in the imposition of penalties up to and including termination of employment and referral for prosecution under applicable local, State and Federal laws.

---

**Description of Drug or Alcohol Abuse Education Programs**

The Student Development Center at Western Wyoming Community College coordinates all alcohol and drug education programs for the campus community. The philosophy behind this program is threefold: education, intervention, and prevention. The purpose is to educate the campus community about responsible behaviors with regard to alcohol and drugs, to intervene when alcohol and/or drug use interferes with a healthy lifestyle, and to offer lifestyle options that prevent the onset of problems which can result from the irresponsible use of alcohol and drugs.

In addition, housing regulations at WWCC prohibit the use and/or possession of alcohol or illegal drugs in college housing. The alcohol and drug education pro-
Green River Center

- **Lighting:** All Green River Center facilities are furnished with security lighting, particularly in areas adjacent to parking lots and outdoor passageways.
- **Staff:** The Green River Center of Western Wyoming Community College maintains a staff of 2 full-time security/custodial personnel who monitor the campus from 7 a.m. to 10 p.m. Monday through Friday, 8 a.m. to 12 noon on Saturday, and 5 p.m. to 10 p.m. on Sunday. Additional part-time security personnel are added as events necessitate.
- **Forced Entry Alarm:** The Green River Center is equipped with an alarm system which notifies the Campus Security Department on the Rock Springs Campus. Campus Security then takes steps necessary to determine if the alarm is false or an actual forced entry. In the event of a suspected forced entry, immediate notification is made to the Green River Police Department.

Registered Sex Offenders

One may obtain information about registered sex offenders at [http://attorneygeneral.state.wy.us/dci/so/so_registration.html](http://attorneygeneral.state.wy.us/dci/so/so_registration.html) or by contacting the State of Wyoming Attorney General at 307-777-7841

Use of Alcoholic Beverages Policy

Western Wyoming Community College Policy 5420 B, adopted November 1, 1989 states:

“The college prohibits students from using, possessing, or selling alcoholic beverages at college sponsored or supervised activities or on property it owns or leases. Students violating this policy are subject to disciplinary action and/or criminal prosecution. Due process is insured through the established administrative and judicial processes.

By law, minors in the State of Wyoming under the age of 21 are prohibited from using, possessing, or purchasing alcoholic beverages. Furthermore, students over 21 are prohibited from purchasing or supplying alcoholic beverages to minors. Both of these groups can be prosecuted and/or disciplined.

To prevent the use and misuse of alcoholic beverages, the College will cooperate with the Associated Student Government and local and area agencies to educate the college community.”

In addition to these College policies, the College also has issued administrative regulations regarding the prevention of illicit drug or alcohol use and abuse by students and employees, as required by the Federal Drug-free Schools and Communities Act, amended in 1989.

As it applies to students, this regulation states, in part, “The College prohibits the possession, use or distribution of alcoholic beverages and/or illicit drugs on its property or as a part of any student activity sponsored or supervised by the College. Violations will result in the imposition of penalties up to and including expulsion from the College and referral for prosecution under applicable Local, State and Federal laws.”

As it applies to employees, this regulation states, in part, “The College prohibits the possession, use or distribution of alcoholic beverages and/or illicit drugs on its property or as a part of any student activity sponsored or supervised by the College. Violations will result in the imposition of penalties up to and including termination of employment and referral for prosecution under applicable Local, State and Federal laws.”

Enforcement Authority of Protective Services Personnel

Protective Services Officers of Western Wyoming Community College are authorized by the Board of Trustees to protect the interests of the College, its students, employees, visitors and property. This power is limited to actions necessary to protect same and to control any situation until the local police arrive. At no time may a Protective Services Officer detain a person physically or strike any person unless it is deemed necessary for self-protection or to protect a student, employee or visitor from great harm, including self-inflicted harm.

Protective Services Officers are instructed to exhaust all reasonable means available to resolve situations before notification of the local authorities. However, if there is a threat to the safety of a person or actual physical harm to a person, police notification is to be immediate. Additionally, when it has been determined that there has likely been a violation of state law (Minor in Possession, Alcohol on the Breath of a Minor, Supplying Alcohol to a Minor, Possession of a Controlled Substance, etc.) PSO’s and RA’s have been instructed to notify the Rock Springs Police Department.
Safety Programs and Services

At the beginning of each semester, all Residence Hall students are required to attend housing orientation. At this orientation, crime and security topics, such as crime prevention, date rape and campus security systems are covered in detail. In addition, each housing resident receives an “On-Campus Living” booklet, which discusses a variety of personal safety and security topics, including campus security procedures and practices.

During the year, the administration displays a series of educational messages via the campus closed circuit television system throughout the campus, informing students of ways they can keep themselves safe from campus crime. The information in these messages is frequently changed and highlights topics such as protecting yourself in your dorm, protecting yourself when walking, protecting your automobile and bicycle, and protecting yourself when driving. Messages are also posted throughout campus, notifying students about the Campus Escort Service and other safety issues.

Recently, the College installed an emergency call station in the lower Residence Hall parking lot to enhance our security efforts. When the call station is activated it is connected to Protective Services’ radio.

The College also has a Campus Escort service available to students and employees. Contact the Information Desk to request an Escort to walk you to your car or Residence Hall.

Reporting of Crimes to Campus Protective Services Staff

All crimes occurring on campus shall be reported promptly to the campus Protective Services Office. A PSO can be contacted through the Information Desk, emergency ext 1234. After 11 p.m. until 6a.m., a PSO can be reached by calling 382-1600 and then 0 for emergencies. All students and employees of the College are encouraged to promptly report any criminal incidents or other types of emergencies that occur on campus to a campus Protective Services Officer, a College official, or to the main Information Desk located at the entrance of the campus. Statements encouraging prompt reporting of criminal incidents or emergencies are located in the WWCC Faculty and Staff Handbook, as well as in the WWCC “On-Campus Living” student handbook.

### Definitions of Reported Crimes

Definitions to follow are from the FBI Uniform Crime Reporting (UCR)/National Incident-Based Reporting System (NIBRS).

**Criminal Homicide (Murder and Non-negligent Manslaughter)** - The willful (non-negligent) killing of one human being by another.

**Forcible Sex Offenses** - Any sexual act directed against another person, forcibly and/or against that person’s will; or, not forcibly or against the person’s will where the victim is incapable of giving consent.

#### A. Forcible Rape (Except “Statutory Rape”)

Definition: The carnal knowledge of a person, forcibly and/or against that person’s will; or, not forcibly or against the person’s will where the victim is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity. (NOTE: If force was used or threatened, the crime should be classified as Forcible Rape regardless of the age of the victim. If no force was used or threatened, and the victim was under the statutory age of consent, the crime should be classified as Statutory Rape.)

#### B. Forcible Sodomy

Definition: Oral or anal sexual intercourse with another person, forcibly and/or against that person’s will; or, not forcibly or against the person’s will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity.

#### C. Sexual Assault With An Object

Definition: To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, forcibly and/or against that person’s will; or, not forcibly or against the person’s will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity. (NOTE: An “object” or “instrument” is anything used by the offender other than the offender’s genitalia. Examples are a finger, bottle, handgun, stick, etc.)

#### D. Forcible Fondling

Definition: The touching of the private body parts of another person for the purpose of sexual gratification, forcibly and/or against that person’s will; or, not forcibly or against the person’s will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental incapacity. (NOTE: Forcible Fondling includes...
Indecent Liberties and Child Molesting. Because Forcible Fondling is an element of Forcible Rape, Forcible Sodomy, and Sexual Assault With An Object, it should be reported only if it is the sole Forcible Sex offense committed against a victim.

Non-forcible Sexual Offenses (Except “Prostitution Offenses”) - Unlawful, non-forcible sexual intercourse.

A. Incest
Definition: Non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

B. Statutory Rape
Definition: Non-forcible sexual intercourse with a person who is under the statutory age of consent. (NOTE: If force was used or threatened, the offense should be classified as Forcible Rape, not Statutory Rape.)

Robbery - The taking, or attempting to take, anything of value under confrontational circumstances, from the control, custody, or care of another person by force or threat of force or violence and/or by putting the victim in fear of immediate harm.

Aggravated Assault - An unlawful attack by one person upon another wherein the offender uses a weapon or displays it in a threatening manner, or the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness.

NOTE: For this purpose, the following definition of weapon shall be used. This definition is taken from the Uniform Crime Reporting Handbook, 1992, page 12:

For purposes of Aggravated Assault reporting, a “weapon” is a commonly known weapon (a gun, knife, club, etc.) or any other item which, although not usually thought of as a weapon, becomes one when used in a manner that could cause the types of severe bodily injury described in the above definition.

Burglary - The unlawful entry into a building or other structure with the intent to commit a felony or a theft.

Motor Vehicle Theft - The theft of a motor vehicle.

Arson - To unlawfully and intentionally damage, or attempt to damage, any real or personal property by fire or incendiary device.

Simple Assault - An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious, severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness.

Liquor Law Violations - The violation of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, or use of alcoholic beverages.

Drug Law Violations - The unlawful cultivation, manufacture, distribution, sale purchase, use, possession, transportation, or importation of any controlled drug or narcotic substance.

Weapons Law Violations - The violation of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, cutting instruments, explosives, incendiary devices, or other deadly weapons. Includes violations such as the manufacture, sale, or possession of deadly weapons; carrying deadly weapons, concealed or openly; using, manufacturing, etc., silencers; and furnishing deadly weapons to minors.

Hate Crime - Also known as a bias crime defined as a criminal offense committed against a person or property which is motivated, in whole or in part by the offender’s bias against a race, religion, disability, sexual orientation, or ethnicity/national origin.

Crime Statistics for WWCC

The following are statistics on certain reported crimes, arrests and/or referrals for campus disciplinary action, that occurred on the WWCC’s Rock Springs and/or Green River campus. For clarity, statistics are disclosed in four categories: (1) Campus (Rock Springs and Green River Center); (2) Non-campus, which includes any remote facilities of WWCC in Rock Springs and Green River; (3) Public property, which includes publicly owned sidewalks, streets or other thoroughfares, and parking facilities that provide immediate access to facilities owned by WWCC in Rock Springs or Green River and are within the same reasonably contiguous geographic area of these institutions; and (4) Residential facilities, which includes all dormitories or other residential facilities for students, or other facilities affiliated with WWCC. Statistics reported are between January 1, 2000 and December 31, 2004 by the local police departments and campus Protective Services.

Note: An “arrest” is defined as a person being taken into custody by a State, Local or Federal law officer.
